

## Aim of the scheme

Elite Fitness is giving £2000 to provide funding for four local youngsters to improve their performance in their chosen sport, including those which have generally been less well-funded. To fulfil this aim, four awards are available to cover approved expenses.

### How much will the awards be for?

£500 will be available for each of four successful applicants. This amount will be released in tranches in response to requests explaining how the money will be used.

### What can the awards be spent on?

Awards can be spent on:

- Travel expenses
- Coaching
- Equipment / kit
- Physiotherapy
- Training expenses

Other purposes will be considered as long as the expense can be justified by the applicant and is approved by the administrator of the fund.
